CCCS SCHOOL BREAKFAST PROGRAM

TO: Parents/Students of Crawford County Community Schools

Breakfast is an important part and start to your child's day. Studies have shown that students who regularly consume a healthy breakfast are better focused on their studies, have better or improved test scores, and tend to pay better attention in class.

Crawford County Community Schools proudly participate in the School Breakfast Program along with the National School Lunch Program. Breakfast and lunch are served at each of our school locations:

Crawford County High School, Crawford County Middle School, Crawford County Elementary East,
Crawford County Elementary South, Crawford County Elementary West

If your child already participates in the Free and Reduced Meal Program for lunch they are qualified to receive breakfast at a free or reduced price. All students are welcome and encouraged to participate on a daily basis.

The cost of breakfast is reduced \$.30, paid \$1.25.

The cost of lunch is reduced \$.40, paid \$2.30.

Daily breakfast menus include fruit and juice choices, variety of whole grain options, and various protein options according to each school's breakfast menu along with low fat/fat free milk varieties. All foods offered are in compliance with Federal, State and USDA guidelines.

Sincerely,
Sharlyn Johnson
Food Service Director, Crawford County Community School Corporation
